ABSTRACT

This annual directory of Canadian public school adult education administrators cites the name, address, and position or affiliation for one Board of Education official in St. John's, Newfoundland, followed by school board officials in 71 Nova Scotia municipalities, three New Brunswick municipalities, 73 in Quebec, 40 in Ontario (including five in greater Toronto), 50 in British Columbia, five others in Manitoba and Alberta, and five Saskatchewan communities. Each entry is letter coded by area of school board responsibility: all programs, all except manpower development, manpower only, full time continuing education, part time continuing education, or a combination of the above. A name index is included. (1y)

ANOTHER CAAE SERVICE

The Canadian Association for Adult Education continues to serve those who are involved in continuing education.

During the past few years the development and growth of programs, and the increase in the number of students, continuing education teachers and administrators has been phenomenal. No longer can the director of adult education of a school board know personally his colleagues in the field or be familiar with their programs.

As a service to those concerned with the administration of adult education, the CAAE has compiled this Directory of Chief Administrative Officials in School Board Adult Education.

To those adult education officials who responded to the appeal for information and help, CAAE expresses sincere appreciation. The Directory undoubtedly is incomplete, as in these days of rapid growth and extension in the school board adult education field, changes in personnel are many and frequent.

The CAAE would appreciate receiving notification of any errors or omissions now, or changes in personnel as they occur.

Information thus provided will be used to up-date the mailing list.

This Directory is one of the many publications and services of CAAE to adult educators and others in Canada. CAAE merits and needs your support.

Are you a member of CAAE?

Can you afford not to be?

UN AUTRE SERVICE DE LA CAAE

L'Association Canadienne pour l'Education des Adultes continue d'offrir ses services à ceux qui sont engagés dans l'éducation permanente.

Depuis quelques années le développement et l'expansion des programmes est prodigieux. Le nombre d'étudiants augmente toujours et il devient impensable de croire qu'un directeur de l'éducation permanente dans une région donnée peut connaître personnellement tout son personnel et même s'y reconnaître dans la myriade d'activités en cours.

C'est pourquoi la CAAE a compilé ce répertoire des responsables de l'éducation permanente des commissions scolaires.

L'Association serait heureuse de recevoir vos commentaires et surtout corrections afin de tenir ce document à jour.

Vous remercions ceux qui ont bien voulu répondre à notre questionnaire.

Etes-vous membre de la CAAE?

Pouvez-vous vous permettre de ne pas l'être?
